PURPOSE

In 1994, the US Department of Housing and Urban Development issued new rules consolidating the planning, application, reporting, and citizen participation processes of four formula grant programs: Community Development Block Grants (CDBG), Home Investment Partnerships (HOME), Housing Trust Fund (HTF), Emergency Solutions Grants (ESG) and Housing Opportunities for Persons with AIDS (HOPWA). The new planning process was intended to more comprehensively fulfill three basic goals: to provide decent housing, to provide a suitable living environment and to expand economic opportunities.

The Consolidated Plan is actually a three-part planning process required by HUD. It comprises developing a five-year strategic plan, preparing annual action plans and submitting annual performance reports. These three parts are intended to furnish the framework whereby North Dakota can identify its housing, homeless, community, and economic development needs, identify resources that will be tapped and actions to be taken to address the needs, as well as look back and evaluate the state's progress toward achieving its strategic goals. Completing these documents on time and in a manner that is acceptable to HUD ensures program funding.

The precursor to the Consolidated Plan is the Citizen Participation Plan (CPP). The objectives of the CPP are to ensure that the citizens of North Dakota, particularly persons of low and moderate income, persons living in slum and blight areas, units of local government, housing agencies and other interested parties, are provided with the opportunity to participate in the planning and preparation of the Consolidated Plan, including amendments to the Consolidated Plan and the Annual Performance Report. In doing so, the CPP sets forth general policies and procedures for implementing and carrying out the consolidated planning process, such as how the Consolidated Plan will be developed, dates and milestones along which the process will proceed and methods for citizens to offer the state assistance and guidance in the formulation of the Plan. Furthermore, the provisions of the CPP fulfill statutory and regulatory requirements for citizen participation specified in the U.S. Department of Housing and Urban Development's rules for the Consolidated Plan, the HOME Investment Partnerships (HOME) Program, the Community Development Block Grant (CDBG) Program, the Housing Trust Fund (HTF), the Emergency Solutions Grants (ESG) Program and the Housing Opportunities for Persons with AIDS (HOPWA) Program. In North Dakota, the North Dakota Department of Commerce, Division of Community Services is the lead agency for developing, implementing, monitoring, and reporting on the achievements of the Consolidated Plan. The Division administers CDBG, HTF, ESG, HOME and new funding that may become available. HOPWA funds are administered by Tri-State HELP (Housing Environment for Living Positively).

The Consolidated Plan identifies the housing and community development needs of the State of North Dakota and sets priorities for spending the HUD grant funds. Public comment is a vital component of identifying the state's housing and community development needs and spending priorities. The Consolidated Plan offers the opportunity for strategic statewide planning to occur alongside citizen participation.

COMMENT ON THE CITIZEN PARTICIPATION PLAN AND AMENDMENTS

North Dakota Department of Commerce will receive comments on the proposed Citizen Participation Plan during a 15-day comment period. In the event that there are substantial amendments to this Citizen Participation Plan, an additional comment period of at least 15 days will be allotted. This proposed Citizen Participation Plan (and, if necessary, the substantially amended Citizen Participation Plan) will be made available to the public before the 15-day comment period begins.

Individuals who require accommodations, including appropriate auxiliary aids, translated documents or interpreters to participate in a public hearing, or who would like to request a copy of the proposed Citizen Participation Plan, or another document, in an alternate format, should contact the Department of Commerce's Section 504 Coordinator, Shantel Dewald via email at dcs@nd.gov or by calling 701-328-5300, TTY: 800-366-6888, Spanish TTY: 800-435-8590 or Relay ND Voice: 800-366-6889.

ENCOURAGEMENT OF CITIZEN PARTICIPATION

The Consolidated Plan is designed to enumerate North Dakota's overall strategy for coordinating federal and other housing and community development resources to provide decent housing, establish and maintain a suitable living environment, and expand economic opportunities, particularly for low and moderate-income persons.

Interested groups and individuals are encouraged to provide input into all aspects of North Dakota's consolidated planning activities, from assessing needs to setting priorities through performance evaluation. By following the CPP, there will be numerous opportunities for citizens to contribute information, ideas and opinions about ways to improve our neighborhoods, promote housing affordability and enhance the delivery of public services to local residents.

Affirmative efforts to encourage and solicit participation from the state's residents and populations least likely to have awareness of HUD-funded programs and processes including low-income residents, individuals with disabilities, racial and ethnic minorities, and female-headed households shall include:

1. Advertising the details of the CPP (e.g. documents for public review, meetings, opportunities to provide feedback and comment) in the State's daily newspapers, and those daily or non-daily publications on or near the Turtle Mountain Band of Chippewa, Spirit Lake Sioux, Standing Rock Sioux, Wahpeton Sisseton Sioux, the Three Affiliated Tribes reservations and Trenton Indian Health Service Area located West of Williston, North Dakota;
2. Sending notice of the CPP (e.g. documents for public review, meetings, opportunities to provide feedback and comment) with advocacy groups, non-profit and for profit organizations, and state and community agencies that provide services to or advocate for low-income individuals, individuals with disabilities, racial and ethnic minorities and female-headed households; and
3. Posting Notifications on the DCS website.

LIMITED ENGLISH PROFICIENT PERSONS AND THE LANGUAGE ACCESS PLAN

The State of North Dakota will make every effort to ensure that Limited English Proficient (LEP) persons have meaningful access to federally funded programs and services as is required under Title VI of the Civil Rights Act of 1964.

The State of North Dakota has a diverse population where many languages are spoken. A substantial number of persons that speak these languages do not speak English or do not speak English very well and are considered Limited English Proficient (LEP).

Regardless of which language a person speaks or their ability to speak English, the State of North Dakota will make every effort to ensure that they have meaningful access to federal funding services through either oral interpretation or written translations of vital documents. Since the State of North Dakota has a number of LEP persons, all countywide public notices and public hearings must ensure that language services are provided or available. For example, each year the public notice for the Annual Action Plan will be printed in various languages and translation services will be provided as necessary for the public hearing.

However, many programs and services delivered within the State of North Dakota, including those carried out by participating cities, have distinct service areas and, as such, an assessment must be made by each agency administering the activity to determine which language services should be provided based on the identified LEP population in the service area.

To assist participating agencies, the State of North Dakota has developed a bulletin instructing them to conduct the four-factor analysis and develop their own Language Access Plan (LAP) to ensure that LEP persons have meaningful access to their federally funded programs and services. The state will also provide technical assistance to assist the agencies in conducting the four-factor analysis and in developing their Language Access Plans.

The four-factor analysis is as follows:

Factor 1: Determine the number or proportion of LEP persons served or encountered in the eligible service area.

Factor 2: Determine the frequency with which LEP persons come in contact with the program.

Factor 3: Determine the importance of the information, services, program, or the activity to people's lives.

Factor 4: Assess costs versus resources and benefits in providing language services.

The State of North Dakota is confident that no person will be denied federally funded services based on their ability to speak English.

The State of North Dakota is committed to keeping all interested groups and individuals informed of each phase of the consolidated planning process and of activities being proposed or undertaken under HUD formula grant programs. Opportunities to comment on or participate in planning community development and affordable housing activities and projects will be publicized and disseminated throughout the state.

PUBLIC HEARINGS

Eight public hearings will be held to gather comments on the Consolidated Plan. The hearing will be held prior to drafting of the plan.

A summary of the written and oral public comments from individuals or groups received in writing or at the public meetings will be considered for the Consolidated Plan.

Venues used for interviews, focus groups, grant applications, and public meetings are fully accessible to people with disabilities that impact mobility. Should a venue not be fully accessible, the individual(s) should contact the Department of Commerce's Section 504 Coordinator, Shantel Dewald via email at dcs@nd.gov or by calling 701-328-5300, TTY: 800-366-6888, Spanish TTY: 800-435-8590 or Relay ND Voice: 800-366-6889.

PUBLICATION OF CONSOLIDATED PLAN DOCUMENTS

The state will publish the draft Consolidated Plan or Annual Action Plan for public review in a manner that affords citizens, public agencies and other interested parties a reasonable opportunity to examine its contents and submit comments. The Draft Plan will be a complete document and shall include:

- The amount of assistance the state agencies expect to receive, and
- The range of activities that may be undertaken, including the estimated amount that will benefit persons of low and moderate income.

A notice for the release of the Draft Plan will be published in several newspapers of general circulation at the beginning of the public comment period. The release will include a list of the locations where copies of the entire proposed Consolidated Plan may be obtained or examined. The following are among the locations where copies of the public comment draft will be made available for inspection:

- North Dakota Department of Commerce, Division of Community Services' Offices

PUBLIC COMMENTS ON THE DRAFT CONSOLIDATED PLAN AND ANNUAL ACTION PLANS

One public meeting will be held in each of the State's Regional Planning Districts prior to drafting the Consolidated Plan, to gather input from citizens regarding proposed changes. Written comments and citizen participation by low and moderate-income individuals, minorities, non-English speaking persons and persons with disabilities will be encouraged through the affirmative efforts outlined in the Encouragement of Citizen Participation section on page 2.

Notices of the meetings will be published in the daily newspapers across the state no less than 15 days prior to the meeting and a press release will be forwarded to all newspapers statewide. DCS will also attempt to email a copy of the notice or press release to interested parties.

The proposed Consolidated Plan will be made available to interested parties for a comment period no less than 30 days.

Along with the notification that the proposed Consolidated Plan is available for public comment, a summary of the proposed plan's contents and purpose will be published. The notification will be published on or before the day the proposed Consolidated Plan comment period begins. Locations where copies of the entire proposed plan may be obtained will also be stated in the notice.

The proposed Consolidated Plan will be available at DCS's website at www.communityservices.nd.gov/ for the full public comment period. Copies of the proposed plan will also be available from DCS during the public comment period.

PUBLIC OUTREACH

An informed citizenry is critical to effective and responsive housing and community development programs. Efforts to educate residents and empower their participation are an ongoing element of the consolidated planning process.

Public education and outreach will be facilitated through the use of public advertisements that describe the consolidated planning process, opportunities for citizen participation and available funding through the CDBG, HTF, ESG, and HOME programs.

- Pose a serious and immediate threat to the health and welfare of the community;
- Are of recent origin or recently became urgent;
- The state is unable to finance the activity on its own; or
- Other resources of funding are not available to carry out the activity.
