HOUSING AND URBAN DEVELOPMENT

ESG

Provides financial assistance to facilities and programs to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide services to help them quickly regain stability in permanent housing after experiencing homelessness. We award grant funds directly to emergency / homeless shelters and agencies throughout the state for operational and essential homeless prevention, rapid rehousing and the Homeless Management Information System.

CDBG

Provides financial assistance to local governments in the form of grants and loans for public facilities, housing rehabilitation and economic development projects.

Homeless Grant

State program designed to provide financial assistance to facilities and programs within North Dakota to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness.

U.S. DEPARTMENT OF ENERGY

State Energy Program

Promoting energy conservation and efficiency.

The State Energy Program provides a range of energy conservation-related opportunities including energy education, installation of energy efficiencies and renewable energy technologies.

Weatherization

Program impacts low-income individuals across the state to:

- Increase energy efficiency in homes
- Strengthen the health and safety of the home
- Reduce total residential energy expenditures
- Provide conservation measures

U.S. DEPT OF HEALTH & HUMAN SERVICES

LIHEAP

Assists families with energy costs by providing federally funded assistance in managing costs associated with home energy bills, energy crises, weatherization and energy-related minor home repairs.

CSGB

Assists communities in implementing anti-poverty programs by administering funding from the U.S. Department of Health and Human Services through the state's seven Community Action Agencies (CAAs), providing various services to low-income persons
