

HOW TO CLAIM YOUR COMMUNITY, BUSINESS OR DESTINATION ON GOOGLE

Help People to Find Your Offerings The Benefits of Claiming Your Business on Google

Today, having an online presence is essential for people to find information and the location of your services and destinations. As a business owner or community leader, you need to extend your reach when it comes to visibility and findability. Location, signage, print advertising, etc. are all important things to consider, but an online presence is key. Luckily, that presence is made easy through claiming your Google Maps listing. **It's easy and here's how:**

Google My Business

www.google.com/business

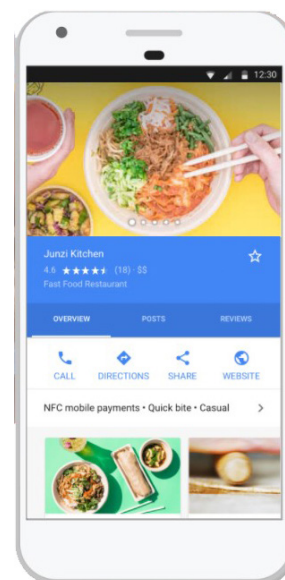

Here is where you begin claiming and verifying your Google listing.

Make the most of your free Google listing.

Show up when customers search for your business or businesses like yours on Google Search and Maps. Google My Business lets you post updates to showcase what's new, respond to reviews to build loyalty and add photos to highlight what makes your business special.
